Supplemental Type Certificate

Number **ST02236LA**

This Certificate issued to Triumph Instruments Burbank
2840 North Ontario Street
Burbank, CA 91504

*Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part * of the Federal Aviation Regulations.*

Original Product Type Certificate Number: **See attached FAA Approved Model List (AML)

Make: *No. ST02236LA for list of approved aircraft

Model: *models and applicable airworthiness regulations

Description of Type Design Change: Installation of Hydraulic Accumulators in accordance with FAA Approved Model List (AML) ST02236LA, dated April 23, 2009, or later FAA approved revision.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. Instructions for Continued Airworthiness (ICA), Triumph Master Report Number ICAW-MR-ST13664, Rev. N/C dated April 23, 2009 or later FAA accepted revision must be made available to the operator at the time of installation.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: September 22, 2008

Date reissued:

Date of issuance: April 23, 2009

Date amended:
